THE ASSESSMENT

A nation in peril

Denial of Republican Order

Growing cycle of violence that has routed law enforcement since the beginning of this decade

Retreat of State Authorities

Faced with conquering criminals, the specter of mass killings looms

Enormous Costs for All Classes

Middle classes, entrepreneurs, disadvantaged communities, rural areas, students, diaspora all affected

5000+

Prisoners released

Prison break - Early 2023

National Emergency

Current approaches have shown their limits. A **common denominator** is needed to win this existential war.

The Solution

Internal mobilization and Mixed Mandatory Civic Service (MMCS)

ECONOMIC & SOCIAL COSTS

Insecurity affects **all sectors** of society

Middle Classes

- Fall into poverty
- Lost material capital
- Forced exodus

Entrepreneurs

- Marriott Hotel closed
- Banks relocated
- Mass unemployment

Marginalized

- 1M+ internal nomads
- Homes destroyed
- Movement restricted

Rural Areas

- Roads blocked
- Products lost
- Asset depletion

Education

- Schools closed
- Teacher exodus
- Future compromised

Diaspora

- Reduced visits
- \$4 billion threatened
- Airport closed

80%

of the capital
out of state control

\$4 Billion

USD annually
Diaspora transfers

Gang Paradox

Even gangs will pay the price: **Haiti will remain their prison** once everything is destroyed.

THE SOLUTION

Mixed Mandatory Civic Service

Constitutional Foundation

Article 52.3 - 1987 Constitution : "A mixed mandatory civic service is established"

CONDITIONS

for Success

Major Governance Crisis

State in decay with **80% of the capital** beyond state control. The very existence of the Nation is in question.

Historical Failure

7 collegial executives

in less than 200 years: chronic instability

CPT Failing

"Predatory governance":
privileges before reforms

Alternative Solution

Consensus for dual mandate

Creativity Required

Crucial Questions

- Why does insecurity remain unresolved?
Is the real goal to prevent elections?
- How to avoid fatal political vacuum?

Success Conditions

- 👤 Honesty and competence
- 🇺🇸 Authentic patriotism
- 🤝 National consensus

RECONCILING THE NATION with Itself

The Nation at War with Itself

These are **Haitians relentlessly destroying their own country**, killing, kidnapping, raping, stealing and attacking the heritage built through sacrifices.

Social Rights Violated

Systematic violation by governments.
Result: **society shattered**

Absence of Cohesion

Without solidarity, without national allegiance. **Total institutional void**

Pure Terrorism

Armed gang actions **without any ideology**. Goal: subjugation of the nation.

Path to Salvation

Reconcile the Nation with itself in a **sustainable** way, so this chaos never repeats.

Unique Experiment

Haiti alone experiments with state destruction under globalized criminal groups.

THE OUTLOOK

Horizon and Challenges

Critical Dilemma Ahead

Choose between **gang takeover** and the obligation of **foreign tutelage**

Unique Experiment

Haiti alone experiments with **state destruction**

International Passivity

Some countries think they're **safe** from this experience

Haitian Responsibility

It's up to **Haitians** to take necessary measures
